Education

Punjab University, Pakistan
BS Software Engineering, April 2021

COURSEWORK
Software Engineering
Data Structures and Algorithms
Analysis of Algorithms
Computer organization & Assembly Artificial Intelligence
Software Engineering
Database Systems
Software Engineering
OOAD
Computer Networks

Skills

◦ Java ◦ Git ◦ C/C++/ C#
◦ JavaScript ◦HTML ◦**Python**
◦Dart ◦ SQL ◦ Flutter

Language
◦ Urdu ◦ English

Certificates

From Coursera
Advance Styling with responsive Design
From App Brewery
Introduction to Flutter Development Using Dart

Projects

BMI Calculator - Flutter

Command Line Project
Speech Recognition - Python
n-Tier Billing - Python
BBC Sports Api - Python
Implemented packbits and unpackbits function of the python library Numpy in C++
ChatBot – C#

Competition Coding
Participated at HashCode 2020 by Google
Participated at CodinGuru 2018 at LUMS
Participated at GeekWeek 2020 at Fast
Participated at Code Jam 2020 by Google
